

## How do I scan QR codes for how-to videos and quick tips?

Shur-Co® has created a number of how-to videos that show the operation of our 4500 Series HD electric roll tarp, plus more, and the QR codes shown at the left will take you right to them!

First, you'll need to download any QR scanner app to your Smartphone. Then open the app and hover your phone over your chosen QR code. It's as easy as that!

For additional information about Shur-Co® products, give us a call at **1.800.474.8756** Monday through Friday, from 8:00 a.m. to 5:00 p.m. Central Time.
