TARP MATERIALS

VINYL

NOTE: We do not guarantee exact color match from tarp to tarp, but our fabric is the most consistent year to year and roll to roll. Occasional sheen variations can create the appearance that color varies every so slightly. The above colors may not be exact; please contact us for samples.

MESH

– Durable and lightweight
– Good air circulation
– Secure containment
– Available in 14-oz. weight

Strongest truck tarp material on the market

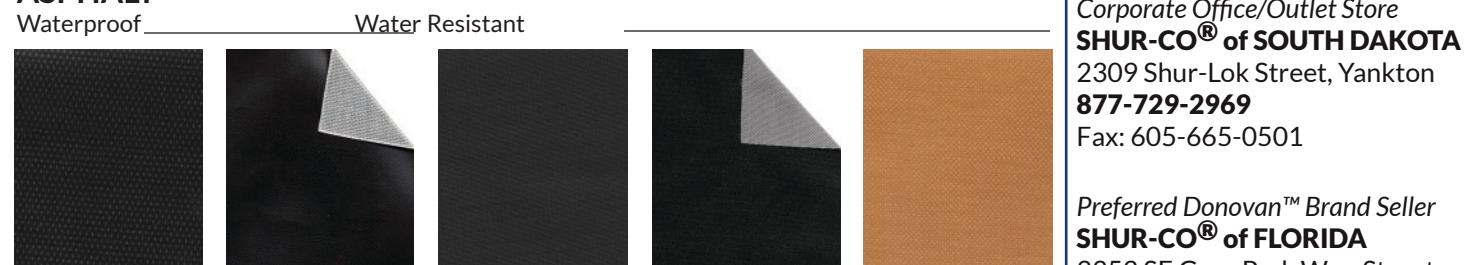

Really rugged – for dump body and trailer apps

The industry standard for truck tarps

– Especially for HyTower™
– Rip resistant
– 70% shade

Ideal tarp for cold-weather applications

ASPHALT

See vinyl colors above

Half the weight of vinyl fabric

Lighter weight than vinyl fabric

Lighter weight than vinyl fabric

– Tough to tear
– Good in cold
